

CHRISTMAS CELEBRATION

The **Christmas Festival** was celebrated with great fervour and gaiety in the Vatika and Main School premises.

The evergreen musical notes of Jingle Bells filled the air with the Christmas spirit and loud cheers. The melody dipped notes had **Santa Claus** and the dazzling dancers of Std IV and Pre Primary swaying in rhythmic synchrony.

The cherubic second graders danced to the tunes of the '**Funky Crazy**' Jingle Bells. Their graceful and angelic movements melted the serenity into sheer pleasure. The Students of UKG set the floor on fire dancing in perfect rhythm to the Song "We wish you a Merry Christmas and Jingle Bells".

A Tamil devotional dance number presented by the Third graders depicted virtue of sharing and caring.

The Sixth Graders presented a tableau on the **values imparted by Jesus in his lifetime**. Scenes and anecdotes from his life highlighted values of sacrifice , helpfulness, community service, respect for elders, obedience and peace.

The **Christmas Carols** by the mellifluous '**Choristers**' of Std. U.K.G. and V to XI marked the coming together of all the D.A.Vites in sheer enjoyment of musical notes.

The adorable Santa Claus stole the show as he skipped in and showered the little ones with candies and goodies. The Students in Vatika was accorded a warm welcome by none other than the "Santa".

The merry makers accompanied the Principal, Mrs. Minoo Aggarwal and cut the X'mas cake and spread the message of peace and joy and greetings for the festive season and the New Year.
