

REPORT OF IX-D CLASS ASSEMBLY- 2022-23

CLASS TEACHER: Heleena.S

CLASS STRENGTH: 41

DATE: 17.08.2022

TIMING: 8.30 a.m. - 9.00 a.m.

Topic: How School Inculcates Love for Natural Environment - 5 ways

The Assembly programme began with the **D.A.V Gaan** followed by **Gayatri Mantra** seeking the blessings of Almighty. The Love and Respect for our Motherland was expressed through the National Pledge. A melodious and mind soothing poem was sung to appreciate the presence of our Respected Principal Madam Mrs. Minoo Aggarwal, Supervisory In charges Mrs. Sujatha, Mrs. Uma.S, Teachers, Parents and all students.

The theme of the assembly was presented through different elements – Skit, Speech, Dance and Recitation.

‘Awareness Instigators’ Students portrayed SEWA, Disaster Management and Eco Club Activities and interpreted the importance of them in students’ life to conserve the natural resources and create an Eco-friendly environment. They also elucidated the necessity of projects to build teamwork, problem solving skills in students which enabled them to develop holistically.

‘Feel the Pulse’ A short skit was displayed by students as alumni of D.A.V who recollected and cherished their experiences in various celebrations and competitions such as World Environment Day, World Ozone Day, Green Teri Olympiad which inculcated the love for Natural Environment and instigated values like environment conservation, humanity and empathy towards all living beings.

‘Cleaner and Greener’ Students gave an insight into the various plants grown in school through a quiz and discussed how green the school campus looks.

‘Reduce Reuse Recycle’ The students expatiated on the purpose and importance of the segregation of waste done in the school campus and how it protects the environment and the natural surroundings. The students also gave an in-depth elucidation on the proper disposal of everyday waste.

‘Technology showcase’ Students showcased their technological, mechanical and creativity skills by exhibiting their models which act as an aid in the protection of the natural environment. The students exhibited models of Smart Dustbin and Automated water dispenser and also explained the purpose of Smart Dustbin to improve the sanitation and reduce pollution.

‘One Student One Tree campaign’ was organized as a part of the assembly where every student of IX- D planted a tree and took an oath to safeguard Mother Nature.

A captivating and pleasing song based on the beauty in nature was a rhythmic treat followed by dance on the five elements. The programme ended with a thanking note by students to each and every one who supported and motivated them to showcase their skills and talents through their class assembly.
