Class Teacher: V.A. Valli Rajkumar

Class Strength: 36

Date: 16.09.2022 (Friday)

Timing: 8.30 a.m. – 9 a.m.

TOPIC: HOW SCHOOL INCULCATES PROBLEM SOLVING AMONG STUDENTS (5 WAYS)

The students of Class VIII-E hosted the Class Assembly on the topic ‘How School inculcates Problem Solving among Students – 5 ways’ on 16th September 2022 (Friday) in our School Assembly Ground between 8:30 a.m. and 9 a.m.

All the students worked collaboratively during the practice sessions as well as on the day of their class assembly. They were excited to be on stage after two long years.

The assembly commenced with an invocation to the Almighty followed by a formal Welcome Address. Thirukkural was recited based on Problem Solving.

The five ways chosen by the students, through which problem solving is instilled by School are Being Optimistic, Building Confidence, Collaboration, Interpersonal Relationship and Decision Making.

The theme of the assembly was presented through

- Sherlock and Scientists – Skit
- Let it Go! Don’t Give Up! – A Soothing Song

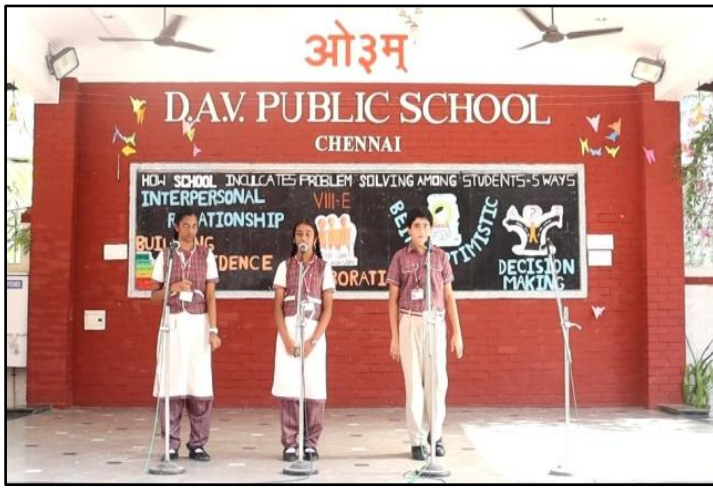

“Sherlock and Scientists – Skit” provided a visual treat for the eyes. The skit with its witty actions was enjoyed by the audience. Inculcation of Being Optimistic and Building Confidence, Collaboration, Interpersonal Relationship and Decision Making were shown in the skit along with Dance-O-Tune and Poem.

“Let it Go! Don’t Give Up! – A Soothing Song” emphasised the importance of problem solving.

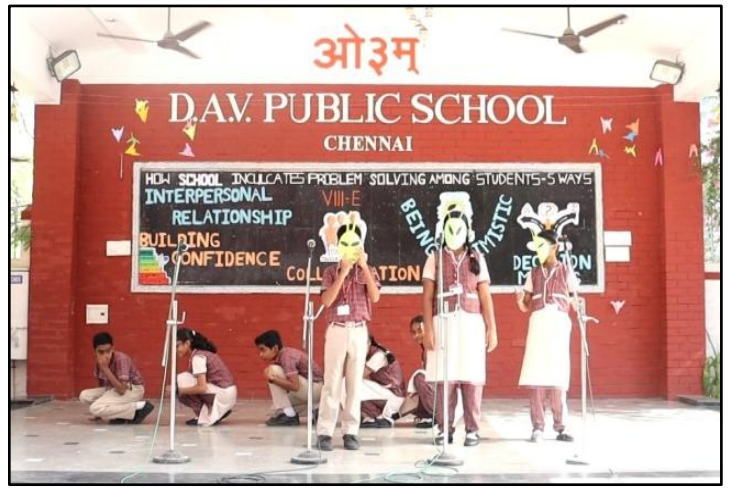

Towards closure, “Vote of Thanks” was delivered. Students’ contributions and involvement were recognised and appreciated through credits.

The short and crisp assembly was concluded with Shanthi Paat and National Anthem.

All the students thanked our Principal Madam for the opportunity given to showcase their talents on stage.
