Class XII - A set the ball rolling for the Class Assemblies of the Academic Year 2024-25. The 24 creative minds of the Class came together on 24, June 2024 to present a thought provoking Sequence on “How School Fosters Human Excellence through Compassion”.

The Assembly was graced by the Teacher In-charge Ms. Sujatha M, Supervisory Heads, Parents and Grandparents, Alumni - Rishi Rithesh and Srijith S. A., Teachers and the enthusiastic students of Std X, XI and XII.

The programme drove home the message how Compassion is a fountain that finds its source in Divinity and transcends to all mankind. This inner mysticism is what is inculcated at school and is responsible for all the good that is happening around the society.

The proceedings began with the class choir reciting the **Gayatri Mantra** followed by **DAV Gaan**.

The next sequence of the assembly depicted the callous attitude of people and the disappointment of the ‘Creator’ who witnessed all his creatures lost in the material world of self-indulgence and opportunism!

But the sequence makes a twist when the Gods witness the students of D.A.V.P.S, Chennai and realise the significant role of the School in inculcating the virtue of Compassion.

‘**Hand in Hand for a Virtuous Future**’ depicted a scene of disharmony and strife among people. But a ray of hope shone as the DAVites lent a helping hand and volunteered to make Compassion the tenet of their existence during natural calamities and concerning animal welfare. The live examples being the Chennai/ Kerala floods and treatment of monkeys in the IIT campus.

The second program –‘**Walking Together for Walking Far**’ portrayed ‘Peer Compassion’and the simple ways that DAVites follow to make a difference to their counterparts and spread good will for a harmonious world.

‘**Rhythm of Life**’, a Peppy Dance performance showcased the talent of students and also projected how the school comes together to leverage support in times of need to raise funds and help the needy.

Ms Sujatha M encouraged the students with her positive feedback. The Alumni also thrust on how the School’s Vision Statement moulds the students into good citizens. A parent registered his views regarding the assembly and all the parents were equally enthralled to see their wards on the most revered stage and felt nostalgic about it going to be the last year of School.
