Dear Parents

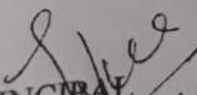

At the very onset of the new session 2017-18, we feel proud to apprise you of our achievements:

- Our school has been declared a GREEN SCHOOL – 2016-2019 by the Centre for Science and Environment – (CSE). In a survey conducted by CSE, to recognize the topmost Eco-Friendly School, our school secured the prestigious 33rd Rank out of 700 schools at the All India Level and we are selected among the 13 Green Eco-Friendly Schools of Delhi.
- Aayush Jha of Class XII-A has cleared the Final round of KVPY (Kishore Vigyaan Protsahan Yojna) which is a very big achievement.
- Ayush Sharma won a Silver Medal and Mayank won a Bronze Medal in Ice-Skating Competition at Graz Austria World Winter Games 2017 organized by Special Olympic Bharat.
- Sudiksha Gupta of Class X has been awarded the Second position in the English Essay Writing Competition at the State Level organised by Delhi & District Zonal Sports Association.

Our major concern is the wellbeing and security of the students and staff. We strive hard to make our school safe and secure and we are trying to take every possible measure to enhance the security, within the school, for our dear students. In continuation to our earlier circulars and the latest circular dated 21.09.2016 in this regard, the following measures are being taken to, further, strengthen the safety and security of our students:

- Installation of about 100 more CCTV Cameras for maximum surveillance is in progress.
- Some more stringent safety measures for dispersal of students would be enforced at the earliest besides restricting entry in the school premises.
- The proposal for Metal Door Detector with camera at the entrance / exit points of the Nursery and Primary wing is under consideration.
- We welcome your suggestions for further strengthening the safety and security of the students. If you have any suggestions, kindly send through school e-mail [info@vvdav.com](mailto:info@vvdav.com) within two days so that the necessary measures can be taken.

We look forward to your cooperation in reinforcing the safety measures to ensure a better and bright future of our children. We sincerely hope that our cruise together through the session will be an enlightening and fruitful one!
