

### VVDAV, Vikaspuri

Veda Vyasa DAV Public School, Vikaspuri celebrated Earth hour. The school reduced its energy consumption by switching off the lights and all electrical gadgets for an hour. The students prepared posters, banners and displayed them on bulletin boards. School principal Chitra Nakra addressed the students and stressed on the need to conserve energy. School supervisory in-charge Rajni Vasudeva encouraged the students to make planet earth, eco-friendly. Eco-club in-charge Achla Mehta and Sunita Mahajan along with the students pledged to work tirelessly for a more judicious and disciplined consumption of energy.
