NOTICE

Dear parents

Greetings of the day!!

With the onset of monsoon, occurrence of intermittent rain during the school hours is quite imperative. Hence, you are requested to send your ward with a raincoat to protect him/ her from the rain and avoid from being infected with cold and flu. Under no circumstances umbrellas will be allowed to the school as these might cause injury to other students.

Further parents are requested to refrain themselves from entering inside the campus during entry and dispersal of students as it causes hindrances in the smooth entry & exit of students . The jostle for parking on the road in front of the School Gate endangers students . Kindly park your vehicle far away from the School Gate for safety of students during entry & exit time.

Expecting whole-hearted cooperation and support from all the parents for the well being of the children and smooth functioning of school activities.
