

DAV PUBLIC SCHOOL, SECTOR 10A, GURUGRAM

“Dance is the joy of movement and the heart of life.”

With an aim to ignite the passion for dancing, an ‘Inter House Solo Dance Competition’ was conducted for the students of Grade V. This platform provided an opportunity to the budding artists to showcase their panache in the field of dance.

All the participants exuberantly performed on different genres of dances like classical, semi classical, folk and western. The choreography, rhythm, costume and presentation of each participant was an absolute treat for eyes. It was fascinating to witness all the four houses put forth their enthralling performances and pull the heartstrings of the audience through their scintillating presentations.
