The New Year has begun on an optimistic note. It has brought with it normalcy, cheer and joy. The year 2020 was plagued by disease, fear, trauma, isolation besides disruption of normal life. Unfortunately the debacle affected the grown ups and children alike. Hence the earliest we embrace a normal schedule, the better it will be for all of us mentally, physically and emotionally.

It's time now to uproot the fear of corona from the minds of our children as well as ourselves. And therefore the decision to reopen schools for children of senior classes, taken by the Directorate of Education, Govt. of India comes as a welcome move. We look forward o normalcy being restored and schools reopening for all students.
