Summer Vacation Rescheduled (classes VII to XII)

Dear Parents,

As a ferocious new Covid 19 wave grips the country, I ardently hope that you are following Covid protocols and SOPs and are safe and healthy.

This is to inform you that as per Directorate of Education, vide circular no. DE23(3)SCH.BR/2021-22/238 dated 19 April, 2021, the summer vacation of students has been rescheduled. The students will observe Summer Break from 22 April to 9 June, 2021. School will reopen virtually on 10 June, 2021. Time to time guidelines and information will be shared with you.

Adhering to the directives of DOE, special classes have been arranged for students till 7 May, 2021, the schedule of which will be shared shortly. The aim of the classes is to ensure continuity in learning and to utilise time constructively in need based and experiential learning, art integration activities, remedial learning and avoiding the creation of big learning gaps. They will also distract minds from a stressful environment around and provide essential social, mental and emotional support.

Holiday assignments will be uploaded soon. Encourage your ward to occupy herself/himself in creative activities and hobbies that will promote happiness. You may consult the school counsellor for any counselling related queries through class teachers. First unit test for students of classes VII to X and XII (2021-22) will commence from June 10 onwards. The date sheet will be conveyed. As announced by CBSE, students of class XII (2020-21) will appear for Board Examination as directed. They may consult teachers for any subject related queries or doubts.

I request you to ensure that all school dues are paid and no fee payment is pending.

Remember that teachers are there throughout for the children, pandemic or no pandemic. Let the children take care of themselves and be proud, of their resilience, of their ability to adapt to extreme circumstances. This too shall pass.

Yours sincerely,

(Mrs. Anita Wadehra)
Principal.
